Yes! I want to be a regular Lunch Buddy

I can be a **substitute** Lunch Buddy

Please check any **elementary school(s)** you would like to participate in the Lunch Buddy Mentoring program

Morris Area

St. Mary's

Chokio-Alberta

Hancock

We believe that the more positive relationships ANY young person has in their life, the more likely they are to be successful and thrive.

Who are we?

RUSC Kinship Mentoring is a 501(c)3 youth mentoring program in Stevens County currently providing community mentoring opportunities to the youth in Stevens County. We are looking to bring mentorships into the local elementary schools through Lunch Buddies.

What is Lunch Buddies?

Adult mentors will be matched with elementary students to eat lunch together and also read or do activities once or twice a month for a school year.

Which schools?

We are currently assessing if there are mentors in our community that are interested before approaching schools.

Why Lunch Buddies?

The objective is to improve a child's social skills and self esteem in order to foster a better attitude for learning; ultimately improving school and life success.

What does it take to be a Lunch Buddy?

Mentors who are interested will have to provide a volunteer application, reference checks, background checks, personal interview and training session.
